EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Clyde L. Smith on 07/10/06.

The application has been amended as follows:

Change Title to "Test device for analyzing blood glucose or other analytes in bodily fluids".

Cancel claim 21.

The following is an examiner's statement of reasons for allowance: **claims 1-6, 9-16 and 18-19** are allowed, because the prior art applied in the previous Office actions, does not disclose or fairly suggest "a test device comprising a magazine that contains a plurality of test members which is configured such that movement of the magazine relative to the housing of the test device causes a blade to cut a seal that initially seals the magazine", as correctly indicated by the Applicants.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yelena G. Gakh, Ph.D. whose telephone number is (571) 272-1257. The examiner can normally be reached on 9:30 am - 6:00 pm.
